

# HABA MEETING - 8/21/10 9AM, KLEB WOODS NATURE PRESERVE

Come join us for sharing ideas and plans for individual and HABA projects. Bring show and tell items like books, forgings, new tools, unknown tools, anything of interest. Enjoy an air conditioned meeting to learn more about the craft, HABA and Kleb Woods.

Topics include: iron making at Tudor Forge...tools and process, the Kleb and Magnolia shops, update on HABA scholarship program, possible metallurgy talk by Bob Nichols, HABA...some history and future plans, and whatever you have to offer.....

Kleb Woods is west of Mueschke RD at 20303 Draper RD. Here is a Google Map link: <http://maps.google.com/maps?ll=30.07513,-95.741397&z=16&t=h&hl=en>

Personal protective equipment and tools are not required. Bring a friend and something for show and tell. Lunch about noon. Pack a lunch and enjoy the woods or visit a local eating establishment.
